

Dear Friend,

Joining a new synagogue is an exciting time, and we are thrilled that you are considering a membership at Temple Adas Shalom. Our Temple is a warm and welcoming congregation with something for everyone at every age.

For the women associated with Temple Adas Shalom, we offer the TAS Sisterhood. Our inclusive group strives to include programming that appeals to everyone. You may find us one day at a traditional Hanukkah party or a craft night, and the next day you may see us with our sleeves rolled up and paint brushes in hand participating in real life social action or joining with others to create a change through social justice.

As a credit to our diverse membership, sometimes we lead and sometimes we follow, but we never rest on our laurels because we know that women are the most influential presence in Jewish homes and their families' lives. Whether you are a Jew by choice, by birth, or part of an interfaith family, we want to be the women who support you - the women you can rely on and turn to - the ones who smile at your celebrations and hug you through your life's trials and tribulations.

So join the TAS Sisterhood today. I promise you, this is not like any other Sisterhood you've seen before because this is not your Bubbe's Sisterhood!

Please reach out if I can answer any questions. And on behalf of the TAS Sisterhood, we look forward to welcoming you!

Warmest regards,
Deb Temple
Sisterhood President
